

## Helping the community one sausage sizzle at a time

GIVING BACK to the local community has always been a core value of the Trackspares business.

After purchasing a barbeque trailer at a Toowoomba fundraising luncheon, the team at Trackspares wanted to put it to good use by hiring it out to anyone who needs a helping hand.

Trackspares Managing Director, Brad Oats says the barbeque trailer has been well received by the local community.

“Our trailer makes a regular appearance at The Valleys Junior Football Club, where they are able to raise funds for the team,” he said.

“Giving back to the city which we call home is something that is very close to our heart. It’s an integral part of our business,” he added.

Trackspares General Manager, Glen Blakely says the initiative has grown beyond belief since it was introduced 9 months ago.

“We don’t ask for a hire fee, we simply just want to help,” he said.

“Community engagement and involvement is something more businesses should partake in,” he added.

If you are interested in hiring out the Trackspares barbeque trailer, please visit the website for more information:
